GREGORY H. WOODS, United States District Judge:		

For the reasons stated on the record during the May 10, 2023 conference in this case,

Defendants' motion for a new trial, Dkt. No. 327, is GRANTED IN PART AND DENIED IN PART. The motion for a new trial is denied with respect to the complaints regarding the sufficiency of the evidence. The motion for a new trial is granted, however, with respect to the claim for discrimination against Mr. Ghatanfard. The Court grants the motion for remittitur with respect to the punitive damages award against Laura Christy Midtown, LLC ("Valbella Midtown"). The Court will order a new trial with respect to that issue unless, within fourteen (14) days of this order's entry, Plaintiffs file a written stipulation to reduce that amount to \$10,000, a 1:4 ratio to the compensatory damages awarded. Defendants' motion to now, after judgment has been entered, dismiss the discrimination claims on the basis that the Court lacks supplemental jurisdiction, is denied. It is further ordered that the parties file a joint letter within fourteen (14) days of this order's entry setting

SO ORDERED.
